CASSIE CHADWICK JOINS THE CATHOLIC CHURCH

(Special to The Evening World.)
COLUMBUS. Ohio, Oct. &-Cassi Chadwick, who is dying in the State Prison, was received into the Catholic church to-day, being baptised by Rev. Father Kelley, the chapiain of the prison. She evinced an inclination to the Catholic faith some months ago, but declined to accept captism then, because Father Kelley told her that if she joined the church she would have to attend services in the Catholic chapel. She has always shrunk from appearing in public.

The fact that she walves har objections now would seem to show that she realizes that her days are numbered.
